

To whom it may concern,

Re: Hennie Warnich - Auctioneer

It is with pleasure that The Sozo Foundation can testify about Hennie Warnich's professional and humorous Auctioneering talent.

The Sozo Foundation is a PBO registered Non-Profit organisation situated in the Vrygrond/Capricorn Township in Muizenberg, Western Cape, South Africa. A holistic developmental approach is implemented through education, social upliftment and food security, to bring about sustainable social change.

We approached Hennie to be our Auctioneer at our second annual Golf day on the 30th of October 2012. Hennie brings a humorous and relaxed environment to the auction whilst a very high level of professionalism is his only standard. His knowledge of the merchandise he was auctioning was very impressive and showed that he researched his products well, yet another one of the many reasons why The Sozo Foundation will definitely be using Hennie's services in the future.

Thank you Hennie for helping us to raise much needed funding on the day!

Kind regards,

.....
