AUCTIONEER HENNIE WARNICH

To whom it may concern,

De Zalze Golf Club hosted their annual Charity Classic fundraising event on Thursday 05 September where we raise funds for people close to our home and hearts.

This year we made use of the professional auctioneering services of Hennie Warnich and it won't be the last.

With his confident and hilarious approach, he kept the audience's attention with his stories and hilarious comments.

Clearly a happy and laughing crowd results in a giving crowd which helped us raise a record amount for the fund that evening.

We cannot thank Hennie enough and will definitely make use of him again!

Kind Regards

Rachelle Roets
