To whom it may concern

GoKids Trust is a trust fund formed for the benefit of the children of the greater Stellenbosch area specifically focusing on education

We organized a Golf Day at the De Zalze Golf Club in April 2013 to raise funds and contracted Hennie Warnich to be our MC and handle the auction later the evening. Hennie is a master at setting the tone for the evening, creating a mood of wellbeing and getting the guests in the right frame of mind to not only enjoy the evening but having a more than positive attitude donating towards our cause especially participating in the auction.

We were totally surprised by the success of the evening's income and we believe we have to thank Hennie for his professional contribution to take our Fund to new heights

We will whole heartedly recommend Hennie to any prospective client to support your event to ensure success

Joe Roux
