*"It took me seventeen years to get three thousand hits in baseball.  
It took one afternoon on the golf course."*

*Dear Hennie*

*On behalf of myself and all the families and children who attend Kids Company Montessori Pre-School I would sincerely like to thank you for a brilliant job on Thursday night.*

*I am so blessed to have you in the Kids Company family and want to thank you from the bottom of my heart for all your dedication and enthusiasm to the school.*

*I can't tell you how many people came to tell me how fantastic you were in your role of Auctioneer / Entertainer / and all round bring the house down **MOST AMAZING MC EVER!***

*There is no doubt in my mind that we would not have raised the remarkable amount of funds that we did without you being the MC. I was totally daunted to have to speak after you and still had tears of laughter rolling down my cheeks when I had to do the welcome. Thank you, thank you, thank you!*

*You generated so much support and enthusiasm from the guests and you really played an integral role in the success of the event. I received so many compliments on the day from many happy participants who had a fantastic time and want to share their positive feedback with you.*

*I would also like to say how moved I am by your generosity in donating the cost of your valuable time and reducing the cost of sound equipment hire for us.*

*I look forward to starting with the project of upgrading our playground and want you to know due to the combined efforts of the committee we will now be able to make even **MORE** than the changes and improvements we have been dreaming about! You have made such a difference to our school and the lives of the children who attend.*

*I have attached some photos of the day for your enjoyment.*

*Thank you so much!*

*With warmest thanks and immense gratitude*
